LIGHTS OUT™

VOLUME 4 :: MYUNG-JIN LEE

This is my debut work,
Lights Out. Just to you
 know, the original title is
*An Evening Something
 Wonderful May Happen*.

After ten years, we're putting
 it in the spotlight again. Like
 pretending a face without any
 make-up, I would like to present
 to you *Lights Out* just as it was
 10 years ago...warts and all.
 Kind of embarrassing, but I hope
 you enjoy it.

Myung-Jin Lee
 April, 2002

Story So Far...

LIGHTS OUT

Easy, grampa! You may be a fine allice of senior amsuality, but Volume 3 waa about one thing: a mile and a helf stretch of blacktop and about two dozen bikes roaring full-throttla across it. Unprecadanted for someone so naw to racing, Gun managed to qualify for the World Grand Prix of motorcycle racing. Unfortunately, this meant he had to race against Schneider, the most successful rider on the circuit. Schneider's aa dirty as they come on the track, and not surprialingly, he cheated his way to the checkered flag. What WAS surprialing, however, was his regret about it later, and willingneaa to share the victory—in spirit, at laaat—with second place finlaher Gun.

EXCUSE ME...

LIGHTS OUT™

Nothing can instill a love for school in a lad like washing dishes on the night shift. His desire to further his education and turn his life around fully restored, Gun's back at Northern Art. But a new villain has arisen and he's after the very thing our young hero holds most dear: Seung-Ah! She's been made a prize in Northern Art's school Olympics, and if Gun is to defend her honor, he'll have to compete against some of the best athletes on the roster. It will be a challenge, to say the least, but if he wins, the taste of victory will be a sweet date with his favorite femme!
